BUILDING FUND NEARS \$700,000

Mr. Joseph J. Seitz is shown presenting his personal cheque for \$50,000 to Very Reverend L. K. Shook, C.S.B., while Hon. Charles P. McTague, Q.C., General Chairman of the Centennial Fund Campaign, smiles his approval.

ANNUAL MEETING IN TROY

President Jack Powers, '38, announces that the annual powwow of the Capitol District Chapter will take place at the Vandenburg Inn, Troy, on Sunday, April 12. Ken Spratt, '40, is chairman of the committee of this dinner-meeting assisted by Bill Roberts, '42, Dr. Joe Foley, '43, Vic DeBontis, '39, Don Fagan, '43, and Jack Casey, '43.

It will be an important meeting, not only to select the executive for next year but also to have a detailed discussion of the Building Fund Campaign, not to mention the pleasure of getting together with the congenial group that makes up the Capitol District Chapter.

Father O'Toole and Father Dorsey of the Faculty of the College will attend.

ASSUMPTION COLLEGE ACQUIRES UNIVERSITY STATUS

Our sister college in Ontario under the supervision and direction of the Basilian Fathers was granted the status of a University according to a bill passed in early March in the Ontario Legislature. It is now empowered to establish new faculties and to grant its own degrees and academic awards.

Very Rev. Eugene C. LeBel, C.S.B., for many years a member of the faculty of St. Michael's and friend of countless alumni, is the President of Assumption College.

THE MIKE extends congratulations to Assumption College and assures it, in the name of St. Michael's Alumni, of our prayers that it will grow and flourish as a great center for Catholic education.

CONSTRUCTION BEGINS

Although the climax of the Campaign for Funds for the new building at the College was reached on Sunday, February 14, the fund has been rising steadily since the public campaign formally ended. At the present time the amount pledged is in excess of \$694,000 and the Committee is confident now that the goal of \$750,000 will be reached.

The Alumni phase of the Campaign is necessarily behind the local campaign in showing results but they are beginning to become evident. Niagara Falls, Thorold, and St. Catharines areas have more than doubled their objectives. Montreal, Kitchener-Waterloo, Cobourg, and Oshawa have substantially exceeded their estimated goals. Across New York State the alumni have only recently begun to campaign but signs point to an enthusiastic response. In other large centers, Hamilton, Ottawa, Port Arthur-Port William, etc., the drive is still in progress and confidence is strong that the objectives in all those cities will be reached. In Sudbury the College deferred to the drive for a new Basilian high school in that city and in Rochester to a sensational education drive put on by the diocesan authorities, but contributions have been received from both of these cities.

It is impossible to list publicly all the alumni who have worked on Committees and who have contributed, but they know, we are sure, the sincere gratitude the College feels, and their own satisfaction will be deep when they see the visible results of their labours in the new building and the improved facilities at St. Michael's.

SECRETARY OF STATE SPEAKS

Hon. Lester B. Pearson, Canada's Secretary of State for External Affairs, President of the U. N. General Assembly, and Chancellor of Victoria College, was the guest speaker at the 43rd annual Arts Banquet held in Brennan Hall, Tuesday, March 24.

REORGANIZATION IN ROCHESTER

In a series of meetings held during the winter at the homes of Hugh Marks, '36, George Gargano, '38, and Ray Marling, '37, carefully considered plans for a reorganization of the Rochester Chapter have been drawn up. In the new format Bob Belmont, '52, has been nominated General Secretary of the area, to be assisted by Corresponding Secretaries, Gerry Delaire, '32, Bernie McAniff, '37, Joe Bennet, '38, Bill Blum, '43, Jack Englert, '47, and Bud Brennan, '52.

A business meeting to be held in April is expected to finalize the plans, ratify a constitution that is being drawn up and which may serve as a model in the future for the reorganization of new chapters, and the establishment of a Program Committee which will plan the activities of the Chapter for each year.

ALUMNUS CANDIDATE FOR PARLIAMENT

Stanley Frolick, '52, has been nominated by the Progressive-conservative Party as their candidate in Toronto Trinity in the forthcoming national elections.

Born in western Canada and receiving his early education in Alberta Stan saw service in the last World War with the British Army, where he served with the rank of Captain on Field Marshall Montgomery's staff in Berlin. Later he was Secretary-General and then Director of relief work for refugees and displaced persons, H.Q., London, England.

He returned to Canada after the war and entered St. Michael's and the University, graduating with honors last June. Before entering the University Stan established a successful grocereria business and this enabled him to support his wife and three children during his university years.

Ernest Seitz and Gene Lockhart, shown here with M. J. J. Seitz, headlined the starry Show that entertained a capacity house at the Imperial Theatre on January 25, to mark the public drive for funds for St. Michael's College.

Besides proving a first class comedy team, the two old friends demonstrated the talents that have made them famous in their respective arts. Mr. Seitz, former concert pianist, played his own arrangement of the Seitz-Lockhart hit, *The World Is Waiting for the Sunrise*, and Mr. Lockhart presented a Monologue that displayed his rich artistry and paid tribute to a dear friend, the late Dr. Frank O'Leary.

The Progress of 3 weeks work on the New Building is shown in the picture at right. Located on the corner of Queen's Park and St. Joseph St., the building will house student tuck shop, Administration Offices, Library and four classrooms. Ernest Cormier of Montreal is the Architect, Alumnus Frank Brennan is Resident Architect, and the construction is being done by Richard and A. B. Ryan, Ltd.
